Subject: Boundary & Disturbed Area Increase Application Review, Intermountain Power Agency, Wildcat Loadout, C/007/0033, Task ID #4895

Dear Mr. Hewlett:

The Division has reviewed your application for the Boundary & Disturbed Area Increase. The Division has identified deficiencies in addressing the Utah Coal Mining Rules. The deficiencies are listed and will need to be addressed before further processing can occur. The initials of the deficiencies author are provided so that your staff can communicate directly with that individual should questions arise.

The plans as submitted are incomplete. Please revise the application accordingly in order for us to complete the processing of your permit revision.

If you have any questions, please call me at (801) 538-5325.

Sincerely,

Daron R. Haddock
Coal Program Manager
